Moridox Philosophy

Moridox was founded in 2010 by a Thai businessman. The brand utilizes manufacturing technology from Switzerland and the United States, developed under international quality standards and a strong product foundation.

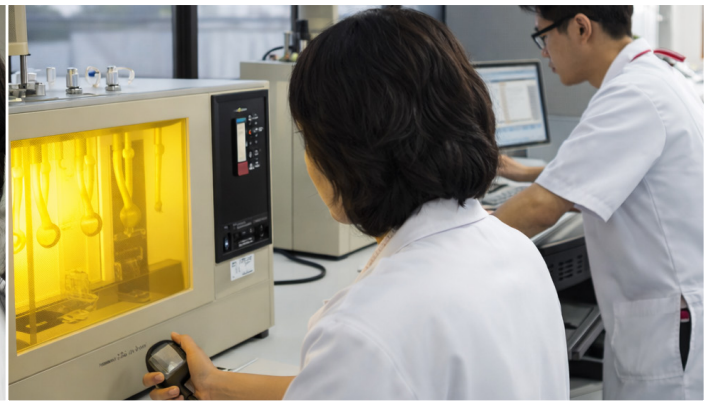

Moridox Production

Moridox uses advanced technology and modern machinery to produce high-quality lubricants under the control of advanced techniques and precise calibration, following the ISO 9001:2026 quality system and international standards.

Moridox uses only high-quality materials from both local and international sources, with a strong focus on production control at all stages, monitoring product quality and packaging to ensure that the best quality oil is delivered to customers under the policy of “the best quality and service.”

Moridox Laboratory Research and Development:

Moridox has continuous development by a team of scientists and engineers to develop products, including lubricants, automotive products, and special products. Using advanced technology and environmentally friendly processes under the concept of “Green Global Product.”

Automotive Oil

Fully Synthetic	GSX-6, GSX-5; 0W/30, 0W/40, 5W/30, 5W/40
Semi Synthetic	GSX-4, D-MAX-5; 10W/30, 10W/40
Mineral Oil	GSX-3, GSX-2, GSX-1, D-MAX-4, D-MAX-3 D-MAX-2, D-MAX-1 ; 10W/30, 15W/40, 20W/50
Marine Oil	MARINO ;40, 50, 15W/40, 20W/50
CNG Engine Oil	CNG TX-1 ,TX-2; 15W/40, 20W/50
LPG Engine Oil	LPG; 10W/30, 15W/40, 20W/50
Gear Oil	Gear EP ; 90, 140, 85W/90, 85W140, Torque 30, 50
Auto Gear Oil	ATF Dexron II, III
Brake Fluid	Brake 451 (DOT 3, DOT 4)
Grease	Multi Grease EP3000, 3002, Grease MS-2
Outboard Oil	Out Board, Speed Boat
Auto Lube	MORIDOX 2T , 4T
Radiator Coolant	Corox Anti-Freeze

Industrial Oil

Hydraulic Oil	Hydraulic AW No. 32, 46, 68, 100
Low Temperature Hydraulic	Hydraulic HV No. 22, 32, 46, 68
High Temperature Hydraulic	Hydraulic HTO No. 32, 46, 68, 100
Fire Resistant Hydraulic Oil	Ansafe B No. 32, 46, 68
Gear Oil	Gear EP No. 100, 150, 220, 320, 460, 680
Turbine Oil	Turborex No. 32, 46, 68, 100, 150
Slide Way Oil	Waylube No. 32, 46, 68, 100, 220
Pneumatic Oil	Neumex No. 2, 5, 10
Air-Vacuum Compressor Oil	Vactron No. 32, 46, 68, 100, 150, 220
Compressor Oil	Kompar No. 32, 46, 68, 100 Kompar-AP (Air compressor) No. 32, 46, 68, 100 Kompar-NF (Ice & Freezing system) No. 32, 46, 68, 100
Press Oil	Presso 100, 335, DX, 560
Stamping & Punching Oil	Punch 420, 421, Punch series
Finstock Oil	Finstock 130LX, HDLV-2, F-14H, F-35, F-38
Quench Oil	Quench 10, 20, 30, 40
Heat Transfer Systems	Therma 2, 3, 4
EDM Oil	Spar 131, 132
Transformer Oil	Transfo 411
Grease	Grease EP 000, 00, 0, 1, 2, Multi Grease EP 3002, 3000

Machining Oil

Cutting Oil	For aluminium, non ferrous metal, copper ; NETO 232, 230 For high carbon steel ; NETO E10, E22, E30 For stainless steel a high tensile ; NETO 690, 693, 6939 SC Bio degradable series ; BD : 810, 822, 830, 840, 860
Soluble Oil	Milky type ; KUT 301, 301P, 302 Semi-Synthetic type ; KUT 5211, 5212, Bio-Guard 2000 Fully Synthetic type ; KUT 502, 601, Solcut S-8800, Kut M

Special Oil

Textile Process Oil	Sizor 7011, 7012, 7015
Rolling Oil	Rolla 8011, 8015, 8019, 15 CS
Rust Preventive Oil	Rustpro C, MX, MX3, MX9, MX-4GS, MLS
Washing Oil	K 205, K206, WASH 30, 40, 60, 70
Auxiliary product	Gun cleaner, anti heat, anti copper color change, anti mist, tackifier, and environment cleaner car polish agent.
